Sir:

Applicants respectfully direct the attention of the Examiner to an incorrect citation in a PTO-1449 form with respect to U.S. Application No. 09/735,872.

Applicants wish to point out that the reference was inadvertently cited in an earlier Information Disclosure Statement filed together with the application on December 13, 2000, i.e. U.S. Patent No. 4,947,947 should read as 4,947,047. Attached hereto is a new PTO-1449 citing the correct patent number and applicants request that the item listed thereon be initialed by the Examiner to ensure that it appears on the face of the patent issuing on the present application. Applicants assume that the art has already been considered by the Examiner in accordance with MPEP 1893.03.

Early and favorable consideration is earnestly solicited.

Respectfully submitted,
Yigal KATZIR et al.

Paul Fenster
